SPECIAL TOWN MEETING
August 25, 1973

Meeting called to order at 1:05 p.m. by Moderator, J. Henry Greenwood. Present were Board of Selectmen, Gordon A. Cammett, Sr., Reginald V. Maisey, and James R. Turner; 2 Ballot Clerks; 3 Supervisors of the Check List; Chief of Police

and 58 voters. Moderator duly swore in Ballot Clerks.

Moderator introduced Deputy Town Clerk, Dorothy Prince, and certified she had been legally appointed and sworn in by the Board of Selectmen and Town Clerk, Robert H. Clement.

A motion was made by C.K. Curtis and duly seconded by Mary Garrison to dispense with reading the total warrant - to take one article at a time.
Vote in affirmative.

Moderator read purpose of warrant.

Motion was made by Frank Wilich and duly seconded by Charles Proulx to recess meeting until the last Saturday of October at 1:00 p.m. at the Raymond High School Auditorium. Discussion followed of legality of meeting because of quorum and dates money must be spent by in order to retain it.

Hand vote was then taken to terminate discussion and continue with meeting at hand.
Vote in Affirmative.

Motion previously made by Frank Wilich vote in negative.

Article 1: Purchase of Gravel Pit:

Motion was made by Gordon A. Cammett, Sr., to purchase gravel pit for $22,000.00 and duly seconded by Lyman Hammond, Jr.

Amendment by Reginald Maisey to approve $10,000.00 for purchase from the 1972 Revenue Sharing funds and approve, under Article 6, expenditure of remaining $12,000.00 from the 1973 Revenue Sharing Funds and amendment duly seconded by C.K. Curtis. Motion, amendment and seconds withdrawn.

Motion made by Gordon A. Cammett, Sr., and duly seconded by Lyman Hammond, Jr., to accept Article 1 as written.

Amendment made by Reginald V. Maisey and duly seconded by C.K. Curtis to specify balance due as $12,000.00
Vote in Affirmative.

Article 2 - Moving Town Offices:

Motion made by Reginald Maisey and duly seconded by James Turner to accept Article 2 as written.

Vote in Negative.

Article 3 - Police Cruiser:

Motion made by Reginald Maisey and duly seconded by Assunta Ege to accept Article 3 as written.
Vote in Negative.

Article 4 - Town Library:

Motion made by Iber Holmes and duly seconded by James Snow to accept Article 4 as written.
Vote in Affirmative.

Article 5 - Pine Grove Cemetery:

Motion made by Stephen Goldthwaite and duly seconded by Warren Arnault and Vance Ryan to accept Article 5 as written.
Vote in Affirmative.

Article 6 - Other Business:

Motion made by Marion Lovejoy and duly seconded by Stephen Goldthwaite to set aside $42,151.96, the remaining 1972 and 1973 Revenue Sharing funds, for a multi-purpose building with Town Offices and Recreational rooms. Amendment made by Marion Lovejoy and duly seconded by Stephen Goldthwaite to set aside only balance of 1972 Revenue Sharing funds, $11,100.00 for a building.
Vote in affirmative.

Motion made by Delmar Anderson and duly seconded by Marion Lovejoy that the Board of Selectmen select an appropriate committee to look into sites and plans for a multi-purpose building.

Board of Selectmen made an amendment that the Moderator select the committee.

Delmar Anderson made an amendment that the committee consist of 20 members - 10 officials and 10 citizens.

Joseph St. Martin made an amendment that the committee have an appropriate number of women.

Albert Pitkin made an amendment that the committee have an appropriate number of young people.

C.K. Curtis made an amendment that the committee have members from the last building committee.

Reginald Maisey made an amendment to appoint the committee within 30 days.
Vote in Affirmative.

There were approximately 99 persons present at close of meeting including Town Officials.

Meeting adjourned at 3:42 p.m. by Moderator.

A true copy of record - Attest:
Signed Dorothy A. Prince
Deputy Town Clerk

ACTION OF SPECIAL TOWN MEETING
October 26, 1974

Article 1 - Town Office Building:

Town to authorize Board of Selectmen to expend from Revenue Sharing Funds a sum not to exceed $51,100.00 to construct a Municipal Office Building in accordance with the proposal dated August 14, 1974, of R.C. Foss & Sons Inc., General Contractors of Pittsfield, N.H. Vote in Affirmative.

An amendment to add $4,000.00 from Revenue Sharing Funds for second story provisions (in the future) for the office building. Vote in Affirmative.

An Amendment to add $4,000.00 from Revenue Sharing Funds to provide a Colonial motif to the building. Motion withdrawn.

An amendment to add a sum not exceed $5,000.00 from Revenue Sharing Funds to provide a Colonial Motif to the building. Vote in Affirmative.

Total money expended under Article #1 $60,100.00.

Article 2 - Lease of a Crawler Loader:

Accepted as printed in Warrant.

Article 3 - Appoint a Deputy Town Treasurer:

Accepted as printed in Warrant.

Article 4 - N.H. Housing Commission:

The N.H. Housing Commission be allowed to operate in the Town of Raymond and authorized to sponsor a project to lease existing standard housing, rehabilitated, newly constructed housing; the total amount not to exceed 45 units. Vote in Affirmative.

Meeting adjourned at 3:00 p.m.

Signed
Robert Clement
Town Clerk

WATER COMMISSIONER'S REPORT

The Water Department would like to thank all the water users for their co-operation during the past year in paying their water bills promptly. For those who have outstanding bills, there is a regulation of the water department that anyone in arrears over a one year period could have their service discontinued. We would appreciate all bills be paid.

We would also like to thank those town departments who have been so helpful in the past year, making our job easier to perform. Our thanks to the Police Department for recovering our missing equipment from the pumping station.

In the past year one of our largest projects was painting the Nottingham Road standpipe, both interior and exterior. The cost was approximately $8500.00, six thousand of which was raised and appropriated by Revenue Sharing Funds. The tax dollar was not used. Many hours were involved in draining and filling the tank. This task would have been almost impossible without the help of our Fire Chief, Burgess Chase. We would like to extend our personal thanks to him for his time and knowledge

Another project completed was the installation of a new supply line to the new town office building, also adding a new hydrant and a 4 inch supply to the fire station. This will allow the fire trucks to be filled more rapidly. The supply line in the town building will allow for sprinkling the building at a later date, for fire protection.

We have two outstanding notes that keep the Water Dept. from upgrading our services as we would like.

One, is the improvement note on the installation of the Nottingham Road Standpipe. This note will be paid in 1976. The other note is for the purchase of the well and land, known as the Manchester Sand & Gravel, which we purchased over two years ago.

Once again we would like to inform the people that the only money we receive from the town, out of the tax dollar is from hydrant rental, which all of us voted on. All other water Dept. bills are paid for by the water users.

Water Commissioners

OFFICE OF TOWN CLERK
Raymond, New Hampshire 03077

Total Receipts for 1974 - January 1, 1974 - December 31, 1974:

1973 Auto Permits	$1,080.64

Robert H. Clement
Town Clerk

DUDLEY TUCKER LIBRARY
LIBRARIANS REPORT

Library has met the requirements of the New Hampshire statewide Library development program - one of 100 libraries to do so.

Other accomplishments include:

- A Summer reading program in cooperation with the playground program. Over 300 children attended one or more sessions.
- Library policies, and objectives were written and approved by Trustees and the State Library Policies are on file in library for anyone wishing to read them.
- Library received a $100 grant from State Library and the money is to be used to add to the reference collection.
- Revenue Sharing funds were used to revise the building, to paint the exterior and to refinish ceiling, walls and floor of library area of building.

Library is open 42 hours weekly during 6 days of the week.

Materials and services given to the library this year include:

- 3 framed pictures which can be loaned to the public for a period of a month.
- Assistance volunteered by Mrs. A. Hickey, Mrs. J. Colton, Mr. L. Dannis.
- Gifts from Mrs. K. Hoffman, Mrs. H.A. Von Suck, Mr. & Mrs. Normand Boulanger, and Mr. Ray Cowger.
- Federal manpower funds which have made it possible for us to increase library hours and services.

Marjorie Von Suck
Librarian

DUDLEY TUCKER LIBRARY

The library shall provide services to all members of the community without preferential treatment to anyone. Trustees and Librarian shall continuously endeavor to be aware of, and responsive to, community library needs. They shall also encourage the use of applicable library materials and facilities in the pursuit of varied library interests of the public.

Philosophy from newly formed Dudley Tucker Library policies approved June 1974.

Respectfully submitted
Mrs. Ruth Hoffman
Mrs. Iber Gove
Mr. Charles Goyette

Respectfully,
Robert C. Erler

REPORT OF FOREST FIRE WARDEN

This past year was a very dry one and the forest fire danger was extremely high, but our only major fire was on Dumpling Town Mountain. Although this fire was approximately two acres in area, it took considerable time and labor to extinguish it. The Town Dump, during this dry spell, could only be burned when a Tank Truck stood by at the scene.

The quick response for fires called in by the Lookout Tower and from concerned citizens, made it possible to keep our loss and expense at a minimum.

This year, Permits for incinerators and open burning, will be issued, as usual, in accordance with State Laws. These permits may be obtained at the Fire Station, Monday thru Friday 7:00 a.m. to 12:00 noon and 1:00 to 4:30 p.m. Saturday and Sunday 7:00 a.m. to 12:00 noon.

Although it is permissable to burn while snow is on the ground, we do appreciate a citizen calling the Fire Department to advise us of the burning. By doing so, we will not make any unnecessary runs should someone else call in to report the smoke in belief that a building is on fire.

Thanks again for your cooperation.

B.A. Chase
Warden

REPORT TO TOWNS

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 a.m. and 5 p.m. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

1974 Forest Fire Statistics

	No. of Fires	No. of Acres
State	871	915
District	242	147

Burgess Chase
Warden

Ralph Stevens
District Chief

RAYMOND FIRE DEPARTMENT

This is a brief summary of the activities of your Fire Department for the year 1974.

Our services were called for 153 times which is a large increase over the 72 calls we had the previous year. These calls consisted of the following:

9 trailers
23 buildings
13 car fires
24 brush and grass
14 Town Dump
5 lost persons
8 bomb scares
2 no school
11 false alarms
8 Mutual Aid calls
45 Miscellaneous

Of the above calls, 63 were bell or monitor and 90 still alarms.

The building and trailer fires involved taxable property at an estimated value of $2,554,350.00 with an estimated loss of $87,150.00. Of this loss $41,000.00 was of suspicious origin and $23,500.00 known arson, leaving $22,650.00 from accidental fires.

We received Mutual Aid three times from Candia and twice from Fremont.

We did our best to stay within our budget but went over about 2%. This is mainly due to the added expense of the Dispatch Center where the heat and electric bills are increased in order to maintain 24 hours a day comfort for the dispatchers.

Our new fire truck is in the factory, at this time, and delivery could be in April or May. We are very fortunate to have ordered this truck last year as the cost today would be approximately $7,000.00 more than the original $43,000.00.

There is a separate article in the Warrant to purchase 4 inch hose and reel that will be placed on our 1940 Hose Wagon. This will be explained at Town Meeting.

I wish to thank the Selectmen; the Police Department; the Highway Department; the Dispatch Center and all citizens who cooperated in any way to help our Department during the past year.

Also, our gratitude to the Ambulance boys who are always with us to lend their assistance, as usual. Thanks, once again, boys.

Finally, my personal thanks to all our Firemen for their loyalty and faithfulness in performing their duties. I know many towns, small and large, that would like to have the response and cooperation we have in our Fire Department.

B.A. Chase
Chief

CIVIL DEFENSE DEPARTMENT
TOWN OF RAYMOND

The following is the annual report of the Civil Defense Department to the town of Raymond.

We have a total of eighty-nine members, most of whom are specially trained in their field and would be able and available to act in any type of disaster. Bill Isensee, head of the Medical Division has had many of his members trained in Standard and Advanced First Aid.

Civil Defense Department purchased two - Sony 2-way Radios for communications with the Police and Fire Departments, also obtained office equipment for the Town Office Building and medical supplies for the Raymond Ambulance.

Pending availability, the Civil Defense Department has requests for merchandise such as vehicles, generators, equipment for the Recreation Center and other numerous items. Would like to thank the Police Department, the Fire Department and the Ambulance Association for their assistance and interest.

Respectfully submitted,
David Gordon
C.D. Director

RAYMOND POLICE DEPARTMENT

As I sit here and write my first annual report as Chief of Police, I also look back over the past nine months.

The conditions under which I took office were perhaps the worst that could be anticipated.

The only full time man, other than the Deputy Chief, stood in much disfavor in the community; our only Police Cruiser had over 100,000 miles on it, and practically speaking, was junk.

Upon taking my Oath of Office, the entire Police Communications System was disabled and put off the air, the Police and Emergency phones in the former's Chief's house were placed out on the lawn.

I received absolutely no records, and after going into Superior Court once already, have received only a small part of them, and am still trying through the Courts to get the balance of them.

Immediately upon announcement of the Election results, Fire Chief Burgess Chase made arrangements with members of the Fire and Ambulance services to man the Fire Station round the clock till the Police Department got organized. Since that time, with all departments participating we have set up a twenty-four hour a day Dispatch Center for Police, Fire and ambulance, manned mostly by members or their wives. It seemed only logical to give priority to ones who were already familiar with the service.

As Police Chief, I have the opportunity to work with, and evaluate many other Dispatch Centers, and in my opinion, we need not take a back seat to anyone. Our space requirements are far from adequate, and I hope by Town Meeting day to be able to outline some recommendations.

Our present department consists of three full time, certified Police Officers, besides myself.

We have a back up force of ten active Special Police Officers, who have various levels of training and experience. I have initiated a special training program for these active Specials, and presently have nine of them enrolled in the part time officers school at the Portsmouth Vocational Technical Institute.

We presently have one fully equipped cruiser, and two more partially equipped. Although this is not adequate for the services we are expected to provide, no additional requests are to be made at this time of the taxpayer. I am instead seeking Highway Safety and Crime Commission funding in this area. My first nine months in office have been an experience I would not wish on my worst enemy, but it is now history. No other Chief of Police will ever have to go through such a transitional experience. Everything that has been accomplished has been done with permanency and continuity. The days of trying to run a Police Department in a growing town out of a private living room are gone forever. As some of you may have noticed, our relationship with the other Police Services has improved tremendously. As time goes on it will get even better. The more hours the State Police and Sheriff's Dept. spend in our town the better protected we are, and I encourage it.

It has long been a dream of mine to see within the Town of Raymond, an "Emergency Services Department." This department would draw mainly on the Police, Fire and Ambulance and Civil Defense groups, but also would have available to it the talents and equipment of others.

This is fast becoming a reality, by intermingling the various departments. On a voluntary basis, they are putting in extra hours to try to learn all they can of the basic workings of other departments.

The fruits of this labor will only show themselves in a situation of the "major disaster type." But when such a situation does arise, better control will be achieved because each man will automatically pitch in where he can be most effective.

Co-operation between these various departments is outstanding, and as each becomes more familiar with the workings and problems of the others, the overall efficiency of each will be the best possible.

I am a great believer in giving credit on an individual basis, whenever it is deserving. That is not possible in this case, because from the Board of Selectmen down on the town level, Colonel Doyon of the State Police, and George Sampson of the Sheriff's Department respectively all came forward to help us when we were in need.

Above all this though must go individual credit to the Deputy Chief, Robert T. Elliott, who alone, ran the uniformed services part of this department day and night until he no longer remembered what a bed was, while I set up the administration of it.

It was indeed a sad state of affairs last March 6, but you may rest well now.

Respectfully submitted,
J. Henry Greenwood

HIGHWAY AGENT'S REPORT

Maintenance - For the second year I feel our maintenance budget has been adequate to provide the town with necessary road maintenance throughout the year. Although an overdraft is found this year, the explanation probably for the most part would be the unexpected (but for the most part should be welcomed) a new road building job to the factory of Parker and Harper Company located to the rear of the Shopping Center. The road called Otter Court Road. Our work on building this section of road included the cutting of trees for a 50' right-of-way including a turn-around at the end. Burning of all brush, removal and disposing of all stumps. Our major problem was removal of an old stump dump that was about four feet deep in the road right-of-way for about sixty feet in length. After thinking that removal of the stumps was probably the worst part of the job we found that we had more problems beneath the stumps. About six feet of wet peat bog which had to be removed. This was done by hiring a very large link-belt backhoe machine from Mid-State Construction which was working in the area installing the water mains into the factory. Finally we ended up with a hole about thirty-eight feet wide and about sixty feet long, twelve feet deep that had to be filled back in with solid material. By the time we ended up with our road gravel there was water mains, Public Service Electricity and telephone operations going on. We moved out. Later went back, installed two drainage culverts, a raodside clean up of peat and road mixed the surface of the road. All worked out well. There were seven number of weeks involved working this project and a total of $7,525.43 charged against the Maintenance and Tarring Budgets. We have got bills out for re-imbursement to the town for Maintenance and building roads such as Green Hills Estates, Mark Lane, which was in agreement with the town.

Prevere Road:

This road was graveled with crushed bank run gravel for a top coat and a road mix and rolled surface.

Merrick Road and Stoney Brook Lane:

Our problems on this section are the ditchlines and water problems, wash-outs. We have remedied some of the problems but there are places which I am aware of that need some atten-

tion such as culverts not deep enough and ditchlines not being able to handle the amount of surfact water. All monies appropriated for resurfacing these roads are still available for this purpose.

Fordway Road Project:

Involved is the usual cutting of trees, burning of brush, stump removal for ample road width with one section gravcled and we are still faced with some drilling and blasting and widening of other sections with the balance of money left this can be accomplished. I strongly recommend that appropriations be made to finish this project, which includes gravel and surface.

Town Road Aid Project:

Harriman Road - work done on this section this year was dozing out stumps, cutting back enbankments, to widen road. The State Supervisor recommended that we lengthen the distance of our project a short distance to make our way past the Prevere Road Intersection, therefore, we were involved in a considerable amount of more work on this project. This year's funds should finish this project.

Tarring:

Last Year a section of the Ham Road was shimmed up, mixed and rolled. Other roads were Governor's Lake Road, Harriman Hill Road, Sealcoated were the following roads: Morrison Road, Otter Court Road and Mark Lane.

General Highway Expense:

During the past several years the Highway Dept. has acquired several pieces of equipment, all very valuable to the town and the Dept. Some of this equipment has been in service long enough that tell-tale signs of wear are evident. All equipment has been kept in good condition as much as possible and that policy should be continued. The inflation of parts, tires, cutting edges, plow blades, etc. have increased in price that I recommend an increase in our Highway Expense Appropriations.

As the town grows new roads are being accepted by the town. These roads for the most part are built by contractors and developers. On inspecting these many times there are indications where there could have been more pains taken in building these roads, installing drainage culverts, etc. With the increase in today's traffic, cars, loaded trucks, school buses, fire apparatus, concrete trucks and Honey Wagons these roads have to be built to withstand tomorrow's punishment. The intention of building roads with six or eight inches of any kind of gravel and slap in a culvert too small with the expectations of holding up under this stress is not recognized. The town has adopted some road regulations, we have revised some of the regulations at different times for the betterment of the town. I think the town would do well to regulate using the quality of gravel for road building.

At this time, I would like to take this opportunity to thank the Board of Selectmen and other departments for their cooperation and assistance they have given me this past year, also the men who have worked for this department.

Respectfully submitted,
Lyman R. Hammond Jr.
Highway Agent

REPORT OF THE CONFLICT OF INTEREST COMMITTEE — 1974

Having been appointed by the Town Moderator, the committee held six meetings and relative to conflict of interest, we make the following recommendations:

1. That the Ethical Standards Guidelines as detailed in the warrant article be approved.

2. That an Ethical Standards Committee be formed to function as detailed in the Warrant Article.

3. We would highly recommend that the voters approve a permanent office of administrative assistant or town manager to assist the Selectmen of Raymond in the performance of their numerous and time-consuming duties.

Respectfully submitted,

Town Warrant

and

Town Budget

of the

Town of

RAYMOND

NEW HAMPSHIRE,

For The Year Ending December 31

1974

THE STATE OF NEW HAMPSHIRE
THE POLLS WILL BE OPEN FROM 10 A.M. TO 6 P.M.

To the Inhabitants of the Town of Raymond in the (L.S.) County of Rockingham in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at Raymond Town Office Building in said Raymond on Tuesday, the Fourth day of March, next at 10 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see what action the Town will take relative to the playing of Beano in the Town of Raymond.

3. On petition of eighteen (18) voting residents to see if the Town will vote the following:

Do you favor adoption of the Town Manager Plan as provided in Chapter 37 of the Revised Statutes Annotated.

4. To see if the Town will vote to enact the amendments to the zoning ordinance as proposed by the Raymond Planning Board.

5. To see if the Town will vote to adopt the amendment to the zoning ordinance as proposed by the petition of the voters of the Town of Raymond. The petition is as follows:

MORATORIUM RESOLUTION We make this resolution to the Planning Board Committee that a Moratorium on issuing of residential permits be enacted and tie into zoning until such time as public services and public facilities such as schools, police buildings and fire departments are upgraded to meet the needs of the town.

The Planning Board does not recommend adoption of this amendment to the zoning ordinance.

Given under our hands and seal, this fourteenth day of February, in the year of our Lord nineteen hundred and seventy-five.

James R. Turner, Chairman
Gordon A. Cammett, Sr.
Selectmen of Raymond

A true copy of warrant - Attest:

James R. Turner, Chairman
Gordon A. Cammett, Sr.
Selectmen of Raymond

We hereby certify that we gave notice to the inhabitants within names, to meet at time and place and for this purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at Raymond Fire Station begin a public place in said Town, on the 14th day of February 1975.

James R. Turner, Chariman
Gordon A. Cammett, Sr.
Selectmen of Raymond

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Raymond in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Raymond High School in said Raymond on Saturday, the 8th day of March, next at 10 o'clock in the forenoon, to act upon the following subjects:

Article 1. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 2. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 3. To see if the Town will vote to authorize the Board of Selectmen to sell at public auction any property acquired by Tax Collector's deeds.

Article 4. On petition of twenty-two voters of the Town of Raymond, N.H. it is requested that you insert the following article in the Town Warrant for the March 1975 Town Meeting. See if the town will vote to use the new town building for additional classroom space to aid in reducing the current overcrowding condition in the Raymond School System. This vote is to be taken only if the Bond Issue for a new school is defeated at the 1975 School Board Meeting. Usage of the town building to last until the needed school has been funded and erected.

Article 5. On petition of Lyman R. Hammond, Jr. and fourteen others to see if the town will vote to revise and strengthen the town's new road regulation pertaining to gravel and culverts:

A. That no stones or rock fragments will be permitted which cannot be incorporated in a six inch bottom layer of gravel.

B. Stone and rock having dimensions greater than three inches will not be permitted in the top four inches of the rough gravel road bed.

C. A six inch layer of good quality crushed bank run gravel be used for a top layer of gravel. Three inches of this amount will be used to road mix and roll surface.

D. The depth of any one layer of gravel will not exceed eight inches compacted. All layers of gravel will be graded to divert surface water from road bed. The depth of gravel in road bed will be in excess of 18 inches.

E. Drainage culverts will not be accepted when there is evidence of improper installation. This will apply to driveways as well as new roads. All culverts will have proper length to accommodate the finished driveway and road. All culverts will have headwalls.

Article 6. On petition of the Conflict of Interest Committee and eleven citizens of Raymond, to see if the Town will vote to approve the statement of ethical standards guidelines for officials of Raymond and propose the attached recommendations as a warrant article.

To see if the town will vote to accept the following recommendations regarding Ethical Standards for Officials of Raymond.

No elected or appointed officer of any agency, district or board within the Town of Raymond should permit himself to be placed in an actual or possible conflict between the interest of the office and total public he serves and his own interest or that of some individual or part of the total public. However, to absolutely prohibit officials from engaging in private business with local governmental agencies might deny the contribution of many individuals to governmental service or cause an unreasonable personal sacrifice on the part of those who do serve.

The confidence of citizens in the integrity of governmental agencies is essential to the continuing functioning of democratic institutions. To this end, the official shall:

1. In the sale of his or her product or service to a governmental agency, insist that his product or service be considered without advantage in a process of open competitive bidding.

2. When bidding is *not* feasible, *not* act or imply in any capacity that any governmental agency or private party should purchase his product or service in preference to any other.

3. Abstain from participating in decisions wherein a possible conflict of interest may occur.

4. Avoid unilateral action wherein decisions or actions are, by statute those of a group.

5. Not make available to any person or party, services or advantages that are not equally available to all.

6. Refuse gifts which would not have been offered except for the reason of the official position he holds or those possibly intended by the giver to influence official decisions or actions.

7. Support the Constitutions and uphold the laws of the United States of America and the State of New Hampshire and policies, ordinances and rules of local agencies.

Article 7. On petition of the Conflict of Interest Committee and twelve (12) citizens of Raymond, to see if the Town will vote to establish a continuing committee to monitor ethical standards and propose the attached recommendation as a warrant article:

To see if the Town will approve the formation of an Ethical Standards Committee to function as outlined below at no expense to the Town:

There shall be a committee of five citizens which shall be concerned with the ethical functioning of the elected or appointed officers of the governmental agencies, districts and boards within the Town of Raymond.

This group shall be known as the Ethical Standards Committee and subject to the following conditions of appointment, term and function:

1. Members shall be appointed annually - 3 members by the Town Moderator and 2 members by the School District Moderator.

2. Appointment shall be made within (30) thirty days of the respective annual town and school district meetings and a committee member shall serve for a (3) three year term beginning April 15th.

a. Initial appointments will be made by the respective moderators as follows:

(1) Three by the Town Moderator - one for a term of three years, one for a term of two years, one for a term of one year.

(2) Two by the School District Moderator, one for a term of three years, one for a term of two years.

3. An existing committee shall, by majority action, fill vacancies in its membership resulting from resignation or other cause. Such appointments shall be temporary and until the next time for appointment by the appropriate Moderator, i.e. April 15 - May 1st.

4. All members shall be voting citizens of town and school district and shall not be elected or appointed officials of any governmental agency, district or board within the Town of Raymond.

5. Members shall serve without compensation.

6. The committee shall have three mandatory annual meetings - one during the month of January and one during the month of July, and one for organizational purposes between April 15th and May 1st, and shall meet on such other occasions as a majority of its membership shall determine.

7. By May 1st, the committee shall annually elect a chairperson and such other officers as it may determine.

8. The committee shall submit a report for inclusion in the annual Town and School District reports.

9. All meetings shall be properly notified and subject to the requirements of the public's Right to Know.

10. This mandate shall be implemented if approved by the voters at the annual Town and School District meetings of March 1975.

Article 8. We, the undersigned (52 names) petition the Selectmen, Town of Raymond, N.H. to make a Moratorium on issuing of residential permits which will tie into zoning until such time as public services and public facilities such as schools, police buildings and fire departments are upgraded to meet the needs of the town.

Article 9. To see if the Town of Raymond will vote to abolish the Absentee Ballots on local elections.

Article 10. To see if the Town agrees to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

Article 11. To see if the Town of Raymond will authorize the Selectmen to negotiate with the Indian Head Bank and the owners of Brewitt's Funeral Home to straighten out the boundary lines between their properties and the Town of Raymond.

Article 12. To see if the Town of Raymond will allow surrounding Towns to engage in the use of our Sanitary Land Fill area.

Article 13. To see what action the Town of Raymond wishes to take to provide Health Insurance Coverage for all full time employees and to raise and appropriate such sums of monies it would cost to defray the same.

Article 14. On petition of (11) eleven registered voters to see if the Town will vote to raise and appropriate the sum of ($350.00) three hundred and fifty dollars for the Seacoast

Regional Office of Child and Family Services of New Hampshire, a private charitable organization. Said sum to be used for current operating expenses to enable the Seacoast Regional Office to continue providing services to residents of the Town of Raymond whether or not said residents are able to pay.

Article 15. To see if the Town of Raymond will vote to raise and appropriate the sum of ($1,000.00) for the Area Homemaker-Home Health Aide Service.

Article 16. We, the undersigned voters (24 names) of the Town of Raymond, N.H. request that the Town install and maintain two street lights on Juanita Avenue.

Article 17. To see if the Town will vote to appropriate the sum of ($1,500.00) one thousand five hundred dollars and authorize the Selectmen to spend the same to pursue the feasibility of locating an oil refinery or related facility in the Town of Raymond.

Article 18. On petition of 117 voting residents of Raymond, to see if the Town will raise and appropriate the sum of $2,000.00 for the support of the Ray-Fre Senior Citizens Center.

Article 19. On petition of 12 voting residents of Raymond, to see if the Town will raise and appropriate a sum of money for the Summer Recreation and Water Safety Program to be supervised by the Raymond Boosters Incorporated.

Article 20. On petition of (16) sixteen legal voters to see if the Town will raise and appropriate a sum not to exceed ($15,-000.00) to finance the Town Manager Plan as provided in Chapter 37 of the Revised Statutes Annotated.

Article 21. On petition of Lyman Hammond, Jr. and (11) eleven others to see if the Town will vote to raise and appropriate a sum of money to finish construction on Fordway Road and Butterfield Lane.

Article 22. On petition of Michael E. Roy and (34) thirty-four others, to see if the Town will vote to accept Roy Street off of Langford Road, extending sixteen hundred feet (1600) more or less, in distance; so that said street will be maintained and plowed by said Town of Raymond to the same extent, and in the same manner as all other roads of said Town, when brought up to Town standards.

Article 23. On petition of (125) one hundred twenty-five voting residents of Raymond, to see if the Town will appropriate necessary funds to pave roads and provide drains for Lisa and Regina Avenues, full length, in compliance with Town of Raymond requirements. Estimated cost by Lyman Hammond, Road Agent, $10,000.00

Article 24. To see if the Town will vote to raise and appropriate the sum of ($10,000.00) ten thousand dollars for the Fire Department to purchase four inch hose and reel with the necessary fittings.

Article 25. To see if the Town will vote to authorize the Selectmen to apply, negotiate and do all other things necessary to obtain such Federal State or other assistance as may be available for the report for, design of, and construction of a sewage disposal system, and pass any vote relating thereto.

Article 26. To see if the Town will vote to raise and appropriate a sum of ($15,000.00) fifteen thousand dollars, for the purpose of preparing a facilities plan on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C.S1251 et seq., 6 Stat. S16 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed ($15,000.00) Fifteen thousand dollars under and in compliance with the provisions of the Municipal Finance Act (N.H.R.S.A. 33.1 et seq. , as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Raymond, and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. S1251 et seq. 6 Stat. S16 et. seq.) and pass any vote relating thereto.

Article 27. To see if the Town will vote to authorize the Selectmen to purchase one International Model 175-C Crawler-Loader with multi-purpose bucket and cab, S/N 02030 and to equip as deemed necessary and to appropriate the

sum of ($31,995.00) Thirty-one thousand nine hundred ninety-five dollars for this purchase.

A. This unit may be authorized to be purchased in a single payment and if approved the Town will raise and appropriate monies for the same, or

B. This unit would be entirely financed through the Municipal Bond Act.

Article 28. To see if the Town will vote to raise and appropriate the sum of ($45,000.00) Forty-five thousand dollars, to purchase the former Prescott Farms Store, located on approximately three acres of land behind the Catholic Church. Said payment to be on a one time basis. This building will be used to provide facilities for a year round Youth Recreation Facility.

Article 29. To see what action the Town wishes to take to provide additional space for the Police Department and to raise and appropriate such sums as may be necessary to defray the costs of the same.

Article 30. On petition of (23) twenty-three names, the Residents of Jaunita Avenue and Francesca Drive are asking the Town of Raymond to put in a sidewalk on the right side of Epping Street, starting from Nichol's Oil Co. and leading past the cemetery to the exit of the school road for the safety and protection of the children in this area who have to walk to and from school.

Article 31. To see if the Town of Raymond will authorize the Board of Selectmen to Purchase the Welch property adjacent to the Town Dump for Sanitary Landfill and authorize the Board of Selectmen to pay no more than ($1,000.00) One thousand dollars per acre surveyed land; amount of land (20) twenty acres more or less and to raise and appropriate monies for same.

Given under our hands and seal, this 10th day of February, in the year of our Lord nineteen hundred and seventy-five.

RAYMOND PLANNING BOARD REPORT FOR 1974

The year 1974 was a very busy one for the Planning Board. The two major accomplishments and most time consuming were revising the Subdivision Regulations and proposed changes to the Zoning Ordinance. The changes in the Subdivision Regulations were formed and reformed and were presented to the public at a Hearing held on October 29, 1974, where the public was represented by one person. There were no objections raised to the proposals, so the Regulations were accepted as proposed and are now part of the Raymond Subdivision Regulations.

The Zoning Ordinance changes are numerous, the major proposed change is to set up land use zones within the town. The proposed changes were first presented to the public at a Hearing held on December 11, 1974, and lively discussion was held. Subsequent changes will be made as a result of the discussion and the proposed changes will appear on the ballot on March 4, 1975.

The Board received 18 applications for subdivision of land which would create 243 new building lots in the town of Raymond. Of these 18 applications 17 were approved creating 236 new lots. Abuttors hearings were held on each of the applications as is required by State law and Town Subdivision Regulations. There were a number of points brought to our attention at these hearings and all questions were resolved before the plans were approved.

The Board was also active in an attempt to set up a Sanitary Landfill operation with the towns of Auburn, Candia, Chester, and Deerfield and reports of these meetings were presented to the Board of Selectmen for their consideration.

The Planning Board at the direction of the Board of Selectmen interviewed four engineering firms for the purpose of preparing a Comprehensive Master Sewerage Plan for the town. The firm of Wright, Pierce, Barnes and Wyman of Portsmouth, N.H. was chosen and an article is in the warrant to secure the necessary funding for this much needed plan.

Due to the need for an adequate reference the Board has established a complete record of all plans recorded for the town of Raymond at the Rockingham County Registry of Deeds.

As for the future we will be administering the Subdivision Regulations and monitering the Zoning Ordinance for any problems that may arise and if any such problem areas are found changes will be presented next year to correct them.

If the Master Sewerage Plan is funded we will help the Engineering firm in any way that we can in their work to create the best and most complete plan possible. We are also available to the Selectmen for any help we can be to them.

The regular meeting of the Planning Board is held at 7:30 p.m. on the first Thursday of the month at the Town Office Building. All meetings are public and all residents are welcome to attend.

Harold R. Wood, Jr.
Chairman, Planning Board

RAYMOND PLANNING BOARD RECORD OF EXPENSES FOR 1974

The following expenses were authorized for payment by the Planning Board against our appropriation of $1,000.00:

Legal Notices	$81.50
Legal Advice	46.07
Supplies	6.79
Printing Ordinances	36.60
Copying Paper	49.00
Secretarial Services	30.00
Operating Expenses	10.13
Total	$260.09
Unspent	$739.91

The unspent balance of $739.91 we have authorized the Town Treasurer to return to the general town fund. There are legal expenses for which we have not received a bill incurred in the proposed changes to the Zoning Ordinances and any approved changes will require that the Ordinance be reprinted in addition to the normal operating expenses of the Planning Board, we are therefore requesting an appropriation of $1,000.00 for 1975.

The Planning Board feels that any and all expenses incurred in the administration of the Subdivision Regulations should be paid from the fees actually received from these applications and not from a town tax appropriation. We are submitting Subdivision expenses and income below:

Carried forward from 1973 for Subdivision expense	$501.20
Received from 18 Subdivision Applications	790.00
Total Available	$1.291.20
Expenses for Subdivision Approvals	
Mailing Legal Notices	$85.79
Legal Advice	245.22
Legal Notices	10.50
Subdivision Plans	141.45
Supplies	13.98
Secretarial Services	82.00
Printing Subdivision Regs.	127.40
Tapes for Hearings	23.94
Total	$730.28
Remaining Balance	$560.92

There are several Subdivisions pending from 1973 and 1974 for which some expense will be involved for these approvals, we are therefore requesting that the $560.92 remaining in the Subdivision monies be carried forward to our 1975 account.

Respectfully submitted,
Harold R. Wood, Jr.
Chairman

FINANCIAL REPORT OF THE BOARD OF ADJUSTMENT 1974

Operating Expenses appropriated by the Town of Raymond	$500.00
Expenses:	
Case #8 Certified letters, Stamps	$10.76
Case #9 Certified letters, Stamps	3.85
Case #10 Certified letters, Stamps	3.85
Case #11 Certified letters, Stamps	13.16
Case #12 Certified letters, Stamps	4.00
Board Secretary	25.00
Alternate Board Secretary	25.00
	$85.62

Does not include Advertising as we have not received any bills yet.

Fees taken in on Application for Appeals:

Case #8	$15.00
Case #9	15.00
Case #10	15.00
Case #11	15.00
Case #12	12.00
Total turned in to the Town Treasurer	$75.00

Operating Expenses	$500.00
Money Spent	85.62
	$414.38

Total to be turned back to the Town as unexpended money in addition to $75.00 taken in on application for Appeals.

The Board of Adjustment requests that the same amount ($500.00) be appropriated for the year 1975.

Thank you,
Anthony J. Carlucci
Board Chairman

REPORT OF TRUSTEES OF TRUST FUNDS

The duties of the Trustees of Trust Funds are in two parts. One consists of the banking of various Town, School and other accounts and paying them out to the controling organizations on demand. This portion is covered by the last eight items of the tabulated report. The larger part consists of Cemetery Trust Funds, their banking and expenditure for the care of the Cemetery lots. In addition, in recent years, the Selectmen have entrusted to the Trustees the expenditure of the Town Cemetery appropriation. This has largely been spent on the Spring cleanup and initial mowing for Memorial Day.

For several years one of us, Earnest Cote, has been in charge of most of the Cemetery work and working crews. Iber Holmes Gove has acted as Treasurer. This is a task of considerable magnitude since currently 196 separate accounts exist. These must be detailed to the satisfaction of the Town Auditor, the State Tax Commission, and the Attorney General. Whenever possible the Treasurer has taken advantage of the high-interest-paying bank certificate accounts that more interest has been available to offset increased labor costs.

The dry weather during the past Summer, which distressed many of us, resulted in much less than normal required mowing. This permitted a little repair work on the Cemetery fence. On the whole, Cemetery expense was more than $600.00 less than for the previous year.

The Town appropriation of Revenue Sharing money was used to purchase a 10 HP tractor mower, a 42-in. rotary mower and three 19-in. mowers. These have promoted efficient operation. We acknowledge with thanks the helpful cooperation of John Harney of the Seacoast Tractor Company in this.

Cemeteries maintained are Pine Grove, Lane, Chester Line, Lovering and Prescott. The Dudley-Tucker Cemetery, while nominally under our care, was actually cared for by the Dudley heirs without any expenditure of Trust Funds.

Respectfully submitted,
Earnest Cote
Iber Holmes Gove
Norris Gove

Herbert E. Hunt - Public Accountant
5 Morningside Drive
Hampton, New Hampshire

February 7, 1975

Certificate of Audit

This is to certify that all records for the Town of Raymond, New Hampshire have been audited for the fiscal year ended December 31, 1974. The officials' receiving and disbursing monies were checked as to source of revenue, and cancelled checks were reconciled with depository banks.

The officials audited were Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Water Department and Library. The records were all in good order, but some were out of balance and adjustments had to be made.

Your Auditor has suggested for the past several years that payroll records should be entered gross in the Selectmen's classified book. This procedure would eliminate chance of error, duplications and many hours of labor. Your town has grown larger each year; thus, expenditures will increase. So,-it is mandatory that this system be adopted. This system would also provide the Selectmen with up-to-date data which they need badly.

General Comments

In 1974, an error was made by the clerk in the Selectmen's office reporting too much valuation for the approval of the tax rate. Please note Exhibit A-4 and entry second from the the bottom "Taxes Committed Under Budgetary Requirements." The figure undercommitted was $51,551.26. This will have to be corrected in one of two ways: refigure the taxes for 1974 or ask for a deficiency appropriation over again for the year 1975. Your Auditor advised the latter suggestion. Whichever way it is down, Townspeople are going to have to make up the difference.

On Exhibit A-4, please note the budget summary shows an overdraft of:

Appropriations	$48,306.26
A revenue deficit of	31,407.88
Net Budget deficit	$79,714.14

This figure should be appropriated as a deficiency appropriation for 1975.

The Selectmen will have to have the classification book up to date at all times so they can follow the balances available for every appropriation.

Verification notices were mailed to all delinquent tax payers for the fiscal year 1974.

May I thank the Board of Selectmen and the other town officials for the excellent assistance they gave us during the course of audit.

Respectfully submitted,

HERBERT E. HUNT
Auditor

RAYMOND SCHOOL DISTRICT MEETING - MARCH 2, 1974

The Raymond School District meeting was called to order at 2:00 p.m. by the Moderator Warren L. Clifford, Jr., with Edward Thompson, having been duly sworn by the clerk, acting as Assistant Moderator. The School District Warrant was read by the Moderator.

A motion was made by Mr. Ornell and duly seconded by Edward Thompson that the school district vote on Articles I, II and III simultaneously and that the polls open for consideration of Articles I, II and III upon completion of the discussion on Articles II and IIII.

Voice Voted: AFFIRMATIVE

Article #1

MODERATOR for one year

Warren L. Clifford, Jr.	140 votes

CLERK for one year

Francesca E. Morrissey	595 votes

TREASURER for one year

Phyllis A. Gove	664 votes

SCHOOL BOARD MEMBER for three years
(two to be elected)

Sally Paradis	442 votes
Marian Lovejoy	393 votes
Russell A. Ege	347 votes
Ronald Nowe	184 votes

Arrticle #2: Shall the provisions for absentee ballots for the election of school district officials be adopted by this school district:

YES 484 NO 191

Article #3: To see if the District will appropriate $1,400,000 or any other sum, for constructing and originally equipping and furnishing a new elementary school, and constructing and originally equipping a gymnasium for the Raymond Consolidated School and making alterations to the Raymond Consolidated School, to determine whether such appropriations shall be raised by borrowing or otherwise, to authorize the school board to contract for and accept federal or other funds

in connection with the project or to take any other action relative thereto.

YES 452 NO 332 BLANK 5

DEFEATED

A motion was made by Mr. Ornell and seconded by Mr. Holt that the sum of $1,400,000 be appropriated for constructing and originally equipping and furnishing an elementary school, and constructing and originally equipping and furnishing a gymnasium for the Raymond Consolidated School and making alterations to the Raymond Consolidated School; that to raise this appropriation the school board is authorized to borrow $1,400,000 under the Municipal Finance Act, that in addition thereto the school board may accept federal or other funds and may apply such funds and any income derived from the temporary investment of the bond proceeds to the project; and that the school board is authorized to take all other action necessary to carry out this vote.

The plans for the building proposal were then shown and explained by Mr. Thompson, elementary school principal, Mr. Callahan, high school principal and Mr. Ornell of the school board.

General discussion followed.

A motion was made by Edward Thompson and duly seconded by Ruth Pond that the deliberation of Article 3 be terminated and that the district proceed to vote on Articles I, II and III and that polls be open for voting until 7:00 p.m.

Voice Voted: AFFIRMATIVE

Polls declared open at 4:07 p.m.

Article #4: A motion was made by Mr. Ornell and seconded by Mrs. Gloria Carney that the school district vote to appropriate the sum of $5,305.40 and in addition thereto all accrued interest from the Capital Reserve Fund for the purpose of acquiring land, and that the school board be authorized to take any and all actions relative thereto.

Voice Voted: AFFIRMATIVE

Before the vote was taken, Mr. Ornell presented a synopsis of the sites which had been considered by the School Board for the construction of the new school and ended with the recommendation of the board that it negotiate for the purchase of the "Moulton land."

Article #6: A motion was made by Mr. Ornell and seconded by Mrs. Lovejoy that Article six be indefinitely postponed.

Voice Voted: AFFIRMATIVE

Article #7: A motion was made by Mr. Ornell and seconded by Mrs. Lovejoy that the voters authorize the school board to accept on behalf of the district any federal or state funds designed to improve educational opportunities. Further, that the district authorize the school board to make application for such funds and to expend the same for such project as it may designate.

Voice Voted: AFFIRMATIVE

Article #8: A motion was made by Mr. Ornell and seconded by Mrs. Lovejoy that the school district vote from this date forward to indemnify and save harmless from loss or damage any person employed by it, including the Superintendent of Schools and any member of the School Board, administrative staff or agencies, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office.

Voice Voted: NEGATIVE

A motion was made by Mr. Thompson and seconded by Mr. Ornell that the meeting recess until 8:15 p.m.

Voice Voted: AFFIRMATIVE

At 7:00 p.m. the Moderator declared the polls closed.

The meeting was called back to order at 8:15 p.m. The results of the voting were announced to the public.

A motion was made by Myron Cate and seconded by Clayton Bagley that the school district reconsider Article 3 at a meeting to be held in the Raymond Consolidated High School Gymnasium at 7:30 p.m. on March 30, 1974.

After discussion of the motion, the Moderator asked if the group were ready for the question. A voice vote was taken in the affirmative. An exception was taken to this vote and a question raised as to the eligibility of all in the hall who raised their voices to vote to do so. A young lady was identified as having participated in the vote and declared herself to be a resident of Can-

dia. The moderator declared the vote invalid and called for a standing vote to be taken on whether or not to move the question.

129 AFFIRMATIVE 24 NEGATIVE

The above motion to reconsider made by Myron Cate was then

Voice Voted: AFFIRMATIVE

Article #9: A Motion was made by John Ornell, seconded by Sally Paradis that the district raise and appropriate the sum of $968,146.60, less $36,750 should Article III not be adopted, for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation, such sums as are estimated to be received from the State Foundation Aid, together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by the taxes of the town.

Voice Voted: AFFIRMATIVE

Article #10: A Motion was made by Gloria Carney seconded by Mrs. Lovejoy that Phyllis Harmon and David Henry be nominated as alternate members of the Staff Development Committee of Raymond Consolidated School.

RECESSED SCHOOL DISTRICT MEETING

The Recessed Raymond School District Meeting was called to order at 7:30 p.m. on March 30, 1974 by the Moderator, Warren L. Clifford, with Edward Thompson acting as Assistant Moderator. The following Legal Notice, which was published in the Manchester Union Leader was read by the Moderator:

Raymond School District, Raymond N.H.

Notice of Reconsideration

March 30, 1974, 7:30 p.m.

Raymond High School Gymnasium

On March 2, 1974 at the annual Raymond School District Meeting a motion was made under Article III of the warrant that the Raymond School District incur debt for the purpose of constructing a new off-site elementary school and the construction of a gymnasium and renovations to the existing Raymond Consolidated School. The number of votes cast in favor of the motion was less than the required two-thirds majority, and as a result, the incurring of debt was not authorized. Thereafter, the meeting voted to reconsider its action at an adjourned session to be held on the date and at the time and place specified above.

s/s Francesca E. Morrissey, Clerk

The Moderator read Article III as published in the Warrant.

Article III To see if the District will appropriate $1,400,000 or any other sum, for constructing and originally equipping and furnishing a new elementary school, and constructing and originally equipping a gymnasium for the Raymond Consolidated School and making alterations to the Raymond Consolidated School, to determine whether such appropriations shall be raised by borrowing or otherwise, to authorize the school board to contract for and accept federal or other funds in connection with the project or to take any other action relative thereto.

A Motion was made by Mrs. Paradis and seconded by Mrs. Carney that the sum of $1,400,000 be appropriated for constructing and originally equipping and furnishing a new elementary school, and constructing and originally equipping and furnishing a gymnasium for the Raymond Consolidated School, and making alterations to the Raymond Consolidated School, that to raise this appropriation the school board is authorized to borrow $1,400,000 under the Municipal Finance Act, that in addition thereto the school board may accept federal or other funds and may apply such funds and any income derived from the temporary investment of the bond proceeds to the project, and that the school board is authorized to take all other action necessary to carry out this vote.

Mr. Holt was then recognized by the chair and made a

presentation of the educational advantages of the new school and the alterations and the gymnasium.

Mr. Ornell then showed the financial effects of the proposals on the taxes, as compared to the total financial outlook for the school over the next several years.

General discussion followed these presentations.

A Motion was made by Mr. Holt that the deliberation of Article III be terminated and that the district proceed to vote on Article III and that the polls be open for voting until 10:30 p.m.

Voice Voted: AFFIRMATIVE

The Moderator declared the polls open at 8:55 p.m.

The Moderator declared the polls closed at 10:30 p.m.

The meeting was called back to order at 11:05 p.m. and the results of the balloting were announced to those in the hall:

YES 380 NO 239

DEFEATED

A Motion was made by Mr. Case and seconded by Mr. Holt that the School District Reconsider Article III at a recessed meeting to be held in the Raymond Consolidated High School Gymnasium at 7:30 p.m. on April 8, 1974.

Mr. Ege and four other registered voters requested that the Moderator take the vote on the above Motion by secret ballot and it was so declared by the moderator.

Ballot Voted: Yes 86 No 29

The Moderator declared the vote for reconsideration passed and the meeting was declared in recess until April 8, 1974 at 7:30 p.m.

RECESSED DISTRICT MEETING
APRIL 8, 1974

The Recessed Raymond School District Meeting was called to order at 7:30 p.m. on April 8, 1974 by the Moderator, Warren L. Clifford, with Edward Thompson acting as Assistant Moderator. The following Legal Notice, which was published in the Manchester Union Leader was read by the Moderator:

Raymond, New Hampshire
Notice of Reconsideration
April 8, 1974 at 7:30 p.m.
Raymond High School Gymnasium

On March 30, 1974 at the Recessed Annual Raymond School District Meeting a motion was made under Article III of the warrant that the Raymond School District incur debt for the purpose of constructing a new off-site elementary school and the construction of a gymnasium and renovations to the existing Raymond Consolidated School. The number of votes cast in favor of the motion was less than the required two-thirds majority and as a result the incurring of debt was not authorized. Thereafter, the meeting voted to reconsider its action at an adjourned session to be held on the date and at the time and place specified above.

s/s Francesca E. Morrissey, Clerk

A Motion was made by Mrs. Lovejoy and seconded by Mr. Holt that the sum of $1,400,000.00 be appropriated for constructing and originally equipping and furnishing an elementary school, and constructing and originally equipping and furnishing a gymnasium for the Raymond Consolidated School; and Making alterations to the Raymond Consolidated School; that to raise this appropriation the school board be authorized to borrow $1,400,000 under the Municipal Finance Act, that in addition thereto the school board may accept federal or other funds and may apply such funds and any income derived from the temporary investment of the bond proceeds to the project; and that the school board is authorized to take all other action necessary to carry out this vote.

The following was read into the record by Mrs. Lovejoy on behalf of the School Board:

We the elected members of the Raymond School Board, wish to state that we have done our job conscientiously and that the total Bond Issue is the best way to solve the most problems for the least amount of money. Our problems haven't changed since March 2 and our needs haven't changed. We therefore after careful deliberation wish to stand firm in asking for the total Bond Issue of $1,400,000 as stated in the School District Warrant.

Signed:
Marrian F. Lovejoy, Chairman

John A. Ornell
Sally L. Paradis
Hugh Holt
Gloria E. Carney

A Motion was made by Mr. Wilich and seconded by Mr. M. Clifford that the question be divided and that we consider a new elementary school and making alterations to the Raymond Consolidated School together by one ballot vote; also that we consider constructing and originally equipping and furnishing a gymnasium by separate ballot vote.

General Discussion followed.

Voice Voted: NEGATIVE

A Motion was made by Mr. Cheadle and seconded by Mr. J. Gordon that the existing motion be amended to read as follows: That the sum of $994,000 be appropriated for constructing and originally equipping and furnishing a new elementary school and making alterations to the Raymond Consolidated School, that to raise this appropriation the school board is authorized to borrow $994,000 under the Municipal Finance Act, that in addition thereto the school board may accept federal or other funds and may apply such funds and any income derived from the temporary investment of the bond proceeds to the project, and that the school board is authorized to take all other action necessary to carry out this vote.

Mr. Cheadle and five other registered voters requested that the Moderator take the vote on the above Motion by secret ballot and it was so declared by the Moderator.

The Moderator declared the polls open at 9:14 p.m.

The ballots cast by Joseph J. Trepel, P.O. Box 819, Raymond, New Hampshire and Mary C. Molinaro, Lakeland Apartments #22, Raymond, New Hampshire were contested ballots which were held in abeyance by direction of the Supervisor of the Checklist.

The polls were declared closed at 10:04 p.m.

Ballot Voted:

YES 121 NO 455 CONTESTED 2 (spoiled 2)

RECESSED DISTRICT MEETING
MAY 6, 1974

The Reeessed Raymond Sehool Distriet Meeting was called to order at 7:30 p.m. on May 6, 1974 by the Moderator, Warren L. Clifford, with Edward Thompson aeting as Assistant Moderator. The following Legal Notiee, whieh was published in the Manehester Union Leader was read by the Moderator.

Legal Notice
Raymond Sehool Distriet
Raymond, N.H.
Notiee of Reeonsideration
May 6, 1974 - 7:30 p.m.
Raymond High School Gymnasium

On April 8, 1974 at the reeessed annual Raymond Sehool Distriet Meeting a motion was made under Artiele III of the warrant that the Raymond Sehool Distriet ineur debt for the purpose of eonstructing a new off-site elementary school and the eonstruction of a gymnasium and renovations to the existing Raymond Consolidated Sehool. The number of votes cast in favor of the motion was less than the required two-thirds majority, and as a result, the ineurring of debt was not authorized. Thereafter, the meeting voted to reeonsider its aetion at a reeessed session to be held on the date and at the time and plaee speeified above.

s/s Franeesea E. Morrissey, Clerk

The Moderator then reeognized David Henry, Chairman of the Citizen's Advisory Committee. Chairman Henry stated that the committee was formed as a result of a suggestion put forth at the Recessed Sehool Distriet Meeting held on April 8. He introdueed the members of the eommittee and gave a brief synopsis of the committee's aetivities sinee that time. It was suggested to the meeting that at the recommendation of the eommittee, the $50,000 ineluded for the renovations to the gym and existing sehool be taken out of the bond issue and treated as a line item in the budget, thus saving money on the interest which would have to be paid on this sum.

A Motion was made by David Henry and seeonded by Mrs. Lovejoy that the Sehool Distriet Meeting be reeessed until May 18, 1974 at 1:30 p.m. at sueh time the meeting eonvene at The Raymond High Sehool Gymnasium to reeonsider Artiele III.

General Diseussion followed.

RAYMOND SCHOOL DISTRICT WARRANT
THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF RAYMOND, COUNTY OF ROCKINGHAM AND STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the High School Gymnasium in said District, on the First day of March, 1975, at 1:00 o'clock in the afternoon to act upon the following articles:

1. To choose school district officials for the ensuing year.

2. To see if the District will appropriate $1,545,000.00 or any other sum for (1) constructing and equipping a Gymnasium for the Raymond Consolidated School, and (2) making alterations to the Raymond Consolidated School, and (3) acquiring a site and constructing and furnishing a new Elementary School or acquiring an existing building and altering such building for use as an Elementary School, and to determine whether such appropriation shall be raised by borrowing or otherwise, or to take any other action relative thereto.

3. To hear the reports of Agents, Auditors, Committees, or officers chosen and pass any vote relating thereto.

4. To see if the District will raise and appropriate the sum of $5,054.03 for site improvement at the Raymond Consoldated School; said amount having been received by the District as a result of the sale of District timber.

5. (By Petition) To see if the voters of the Raymond School District will vote to increase the School Board of Raymond to a membership of seven (7) people.

6. (By Petition) To see if the Raymond School Board will be required to place a kindergarten program in the grade school.

7. (By Petition) To see if the Town will approve the formation of an Ethical Standards Committee to function as outlined below, at no expense to the Town.

There shall be a committee of five citizens which shall be concerned with the ethical functioning of the elected or appointed officers of the Governmental Agencies, Districts, and Boards within the Town of Raymond.

This group shall be known as the "Ethical Standards Committee" and subject to the following conditions of appointment, term and function:

1. Members shall be appointed annually - 3 members by the Town Moderator and 2 members by the School District Moderator.

2. Appointment shall be made within 30 days of the respective annual Town and School District meetings and a Committee member shall serve for a three-year term beginning April 15, 1975.

a. Initial appointments will be made by the respective moderators as follows:

(1) Three by the Town Moderator - one for a term of 3 years one for a term of two years, one for a term of 1 year.

(2) Two by the School District Moderator - one for a term of three years, one for a term of two years.

3. An existing committee shall, by majority action, fill vacancies in its membership resulting from resignation or other cause. Such appointments shall be temporary and until the next time for appointment by the appropriate Moderator, i.e. April 15 - May 1.

4. All members shall be voting citizens of Town and School District and shall not be elected or appointed officials of any Governmental Agency, District, or Board within the Town of Raymond.

5. Members shall serve without compensation.

6. The committee shall have three mandatory annual meetings - one during the month of January and one during the month of July and one for organizational purposes between April 15 and May 1, and shall meet on such other occasions as a majority of its membership shall determine.

7. By May 1, the committee shall annually elect a chairperson and such other officers as it may determine.

8. The committee shall submit a report for inclusion in the annual Town and School District reports.

9. All meetings shall be properly notified and subject to the requirements of the public's Right-to-Know.

10. This mandate shall be implemented if approved by the voters at the annual Town and School District meetings of March, 1975.

8. To choose agents and committees in relation to any subject embraced in this Warrant.

9. To see if the District will authorize the School Board to accept on behalf of the District any Federal or State Funds, including Revenue Sharing Funds, designed to improve educational opportunities; further, to see if the District will authorize the School Board to make application for such funds and to expend the same for projects as it may designate.

10. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriations for such sums as are estimated to be received from the State Foundation Aid Fund, together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes of the Town.

11. To transact any other business that may legally come before this meeting.

Given under our hands at said Raymond this 13th day of February 1975.

SCHOOL BOARD REPORT

To the Citizens of Raymond:

Again this year, voter attention is focused on a building proposal for approval in March. Having failed to gain a two-thirds majority during four polling attempts in 1973, not only will double sessions continue for the 1975-76 school year, but out of necessity the school board has taken action to discourage incoming freshmen tuition students beginning September 1975—a move that will result in less revenue for the district and thus, higher property taxes for the Town of Raymond. This is a matter of serious concern to the school board, as tuition income would, over the life of a bond issue, more than pay for the principal and interest payment of a new school.

In August of 1973, the New Hampshire State Board of Education voted to approve the Raymond request for double sessions for 1974-75 but will not accept a request for any additional school years without "prima-facie" evidence of Raymond's having taken corrective action, relative to the causes for double sessions.

In view of this action and the already pressing need of additional facilities, the school board in October 1973, appointed a Building Advisory Committee to study school construction and make recommendations to the school board. Under the capable leadership of Chairman David Henry, members of this committee have spent many long hours on a proposal and the school board is indeed appreciative of their efforts. This committee through the scheduling of public hearings and the mailing of newsletters to every citizen, wishes to supply the voters with answers to the many questions surrounding the construction issue.

In the months ahead, the pros and cons of this issue will occupy the minds of every citizen and taxpayer. Uppermost will be the critical economic situation and whether or not this is the year to undertake the capital investment of new school construction. We agree, these are not minor concerns. However, over the years Raymond has continually met its educational needs. Consolidation of grades 1-12 at the present site was ac-

complished in 1918 with added classrooms and facilities constructed in 1931, 1938, 1948, 1959, and the last in 1965, bringing Raymond the status of a Comprehensive High School. These accomplishments were not without strife and sacrifice on the part of the citizenry, at times when economic situations were not always the best. Since 1969, school boards and building committees have recommended that additional space and facilities be provided to keep pace with the growing population of the town, and six years have passed with no positive action

Again this year, your school board requests your support of the proposal being presented, for without taking this step forward, the educational program that has been achieved over the years will continue to be sacrificed. The future direction of your school system will be determined on March 1—the choice is yours.

SUPERINTENDENT'S REPORT

In early July, 1974, upon accepting the position of Superintendent of Schools, my immediate concern was the problems confronting each of the four districts within Supervisory Union No. 15.

Upon reviewing the needs of the Raymond School District with your School Board, Administrators, Staff and members of the community, there was no question in my mind as to the District's most pressing problem—Building Space.

This was quite apparent from two areas, namely the Southern New Hampshire Planning Commission report which predicted rapid housing growth for the southeast region of New Hampshire and, secondly, the actual enrollment of students in the Raymond District for the period of 1962 through 1974 as indicated in the chart below:

LEVEL	1962-63	1968-69	1974-75
Elementary	284	395	492
Junior High	77	98	157
High	159	248	331
	520	741	980

In the period between 1968 and 1974 there was an increase of better than 30% enrollment.

Should one read the School Board Agendas and minutes, Superintendent's Reports and Town Reports back to the 1960's, one could ascertain school housing to be a vital issue to the district. The school committee through this period of time attempted many and varied studies with surrounding communities, but very little of a tangible nature came about.

After assessing the present site and building with its current enrollment and educational programs, plus a school on double sessions, it was my opinion then, as it is now, that the district should consider a new Elementary School, renovations to its present building, and the addition of a gymnasium to the present structure.

This conclusion was reached, based upon the fact that the district was already burdened with heavy enrollment (many districts plan in anticipation of growth); alternatives to double session were explored, but no acceptable program could be found, unfortunately. In 99% of building projects throughout the nation, the borrowing capacity dictates the building, and not the educational program.

Again this year, the School Board, Building Committee, Staff and many members of the community have worked diligently to present a proposal for your consideration at the March, 1975 meeting. A very simple analogy can be drawn: "A three room bungalow will not suffice for a family of fourteen".

In our previous mention of assessment, the district should not overlook the many positive things happening within the schools: Mainly, the direction of Individualized Instruction; the emphasis in the areas of reading and math and the overall development of the student—a goal worthy of mention.

In June, 1973, the State Board of Education officially adopted the following goals for education:

Improved program in early childhood education with emphasis upon developing competence in the areas of reading and math.

Improved and increased offerings in Vocational Education and Career Education.

Improved and increased programs for Handicapped Children and adults.

The Raymond School District began to define these as goals prior to the above date. Implementations in terms of staff, curriculum and programs were directed to this end.

Another area in which the district is involved is Staff Development. Basically, it is a local plan for the re-certification of professional staff members. This Master Plan must be approved by the State Board of Education and put into operation by July 1, 1975. Currently, the committee is finalizing its plan after an intensive two-year study. The members of this group are to be highly commended.

The progress of pupils and the improvement of programs are progressing satisfactorily. The devotion of School Board members to the many details of school operation, the conscientious efforts of teachers and the cooperation of students and parents make such progress possible. I appreciate, sincerely, the attitude of all concerned who are making a contribution to the progress of students and school.

Respectfully submitted,
DAVID R. CAWLEY
Superintendent of Schools

State of New Hampshire
Department of Revenue Administration
Concord, 03301

Lloyd M. Price
Commissioner

DIVISION OF MUNICIPAL ACCOUNTING
FREDERICK E. LAPLANTE
DIRECTOR

December 20, 1974

Mr. David R. Cawley
Superintendent of Schools
Supervisory Union No. 15
2 Benton Road
Hooksett, New Hampshire 03106

Dear Mr. Cawley:

This is in response to your letter of December 2, 1974 regarding the possibility of having this Division conduct an examination of the Raymond School District records early enough for submission of a report thereof to the 1975 School District meeting.

Although we are unable to guarantee at this writing that such an audit can be entirely completed and a report prepared by the date of the 1975 annual meeting, we are pleased to inform you that we expect our auditors will commence examining the District's records for the fiscal years ended June 30, 1973 and June 30, 1974 sometime during the month of February, 1975. We anticipate that the work incident to this examination will allow publication of an audit report no later than May 31, 1975.

We regret the inconvenience which results from our inability to conduct annual examinations on a more timely basis due to the workload which exceeds our currently authorized personnel. We wish to assure you, however, that every effort is being exerted to correct the situation.

We wish to extend our appreciation for the patience and consideration which has been demonstrated by the District in connection with the unavoidable delay in conducting the yearly audits.

Very truly yours,

Frederick E. Laplante

Frederick E. Laplante
Director
DIVISION OF MUNICIPAL ACCOUNTING
DEPARTMENT OF REVENUE ADMINISTRATION
